

Fio & Friends

Fio, Fleur and Joel want you to be their friend! Since they are reporters for the *Avian Gazette*, they love to meet new people and animals, see new places and go on adventures.

Cut out Fio, Fleur, Joel or all three friends on the dotted lines and take them along with you.

Remember, Fio is an environmentalist, Joel is an artist and photographer who loves amusement parks, and Fleur was a gymnast but now has developed amazing investigation skills!
